**Karen Tsui** is Collaboration Development Manager for the White Rose University Consortium. She is an inclusive leader with 20 years of experience working in six research-intensive universities in the UK and Hong Kong. As a trusted expert in collaborative research across regional (White Rose) and international (Worldwide Universities Network) partners, she is a positive energiser generating enthusiasm and outstanding performance in others. She is Chair of the Women at Leeds Network (1100 members) which create opportunities to transform lives. As a freelance Consultant, she specialises in inclusion assessment, training and mentoring.

**Gemma Traviss-Turner** is a Lecturer in Primary Care in the School of Medicine at the University of Leeds. She is a psychologist by background and GB triathlete. Her research interests are in health behaviour change and more specifically around disordered eating and physical activity. She is Chief Investigator for research funded by Diabetes-UK ([POSE-D](#) study) and also has leadership responsibilities on several large NIHR-funded programmes of research ([SPACES BASIL](#), [MODS](#) studies) which aim to develop low intensity, accessible interventions for mental health. Gemma is a Senior Fellow of the Higher Education Authority, and former Programme Leader of the Core Psychiatry Training Course in the Yorkshire and Humber region. She is Assessment Lead on the Undergraduate Medical Programme and Lead for Research Methods within Leeds Institute of Health Sciences.
