- What are your key reasons for wanting to attend the workshop [up to 50 words]?
- Do you want to be considered for a travel bursary?
- Please also make us aware of any access or dietary requirements.

Event overview: This workshop will support early-career researchers (ECRs) and doctoral students who are researching organization, leadership and management in relation to questions of socio-ecological sustainability. The workshop format will involve attendees presenting their research dilemmas and challenges which will be collectively explored. The workshop will support ECRs and doctoral students to reflect on their theoretical framings, methodologies and potential trajectories for their researching, as well as enabling them to make connections with others researching sustainability in organizations. Specialist contributions and support will be given by [Prof. Carole Elliott](#) and [Prof. Steffen Böhm](#).

Convenors: [Dr Stephen Allen](#) and [Dr Charles Barthold](#). This event is funded by a grant from the Society for the Advancement of Management Studies.
